Good Morning Caro France

Thank you for reaching out to us and sharing your part of the world with us. Above is a map of Michigan, we best describe where we live by forming a mitten with our hands and showing them where we live in Michigan. We are so lucky to have our beautiful great lakes surround our state.

We plan on putting a video together to share our town with you, the last year has been a very different year as I bet you can imagine and have gone through similar times.

We have included a copy of our school yearbook to give you a little taste of our school until we can get our video together.

We would love to continue to correspond with you all.

Stay safe and healthy and we will continue to correspond.
